KENNETH E. HAGO

San Bartolome, Mayantoc, Tarlac, Philippines | hagokenneth2004@gmail.com | 0909 998 7363 | +63 909 998 7363

PROFESSIONAL SUMMARY

Recent Bachelor of Science in Information Technology graduate with hands-on internship experience in IT support, administrative operations, and web development. Experienced in troubleshooting computer hardware, software, printers, and network connectivity while providing efficient technical and administrative support. Proficient in developing responsive websites using HTML, CSS, JavaScript, PHP, and MySQL, with experience managing content through WordPress and Joomla. Skilled in using Microsoft Word, Excel, and Google Workspace for documentation, reporting, and data management. A fast learner with strong communication, adaptability, and problem-solving skills, committed to delivering quality work and contributing to organizational success.

EDUCATION

Tarlac Agricultural University — Malacampa, Camiling, Tarlac
Bachelor of Science in Information Technology — 2022 – 2026
Thesis: Smart Learning Assistant: Interactive Study Tool and Quiz Generator

INTERNSHIP EXPERIENCE

Administrative & IT Support Intern — Tarlac, Philippines
TAU Office of External Linkages and International Affairs — January 2026 – May 2026

- Delivered first-level IT support by diagnosing and resolving hardware, software, printer, and Wi-Fi connectivity issues.
- Installed and configured computer peripherals, printers, and office equipment while ensuring proper functionality.
- Assisted in preparing reports, presentations, spreadsheets, and official documents using Microsoft Office and Google Workspace.
- Managed office records, documentation, and filing systems to support efficient daily operations.
- Coordinated meetings, events, and international partnership activities by providing administrative and technical assistance.
- Created promotional materials and assisted in managing digital content for university programs and international collaborations.
- Maintained organized workstations and office equipment to ensure a productive working environment.
- Collaborated with staff across different departments while maintaining professionalism, accuracy, and confidentiality.

PROJECTS

Smart Learning Assistant: Interactive Study Tool and Quiz Generator
Developed a web-based application that helps students study effectively through interactive quizzes and learning materials.

Bayan ng Mayantoc Website
Designed and developed a responsive municipal website to improve accessibility of public information and online services.
